Re: “**Doggonit, it’s Christmas**”, by Mervyn D Cobcroft and Charles Pembroke-Corgi, in the 5/19 December 2005 issue of the Journal (*Med J Aust* 2005; 183: 656-658). An acknowledgement for this article was inadvertently omitted. The acknowledgement should have read: Professor Denis Brosnan, University of Queensland, is responsible for coining the term “interposita”. □
