

**Corrections**

**Incorrect data in Box 1:** In the article “Retirement intentions of general practitioners aged 45–65 years” in the 20 July 2009 issue of the Journal (*Med J Aust* 2009; 191: 75-77), in Box 1, the number (%) of “Nursing home or hostel visits” should be 114 (64%), not 52 (29%). □

**Omission of funding details:** In the In Clinical Practice article “Improving general practice consultations for older people with asthma: a cluster randomised control trial” in the 20 July 2009 issue of the Journal (*Med J Aust* 2009; 191: 113-117), funding details provided by the authors were inadvertently omitted. These details, which should have appeared in the acknowledgements, are as follows: This intervention study was funded by an Asthma Targeted Intervention Grant provided by the Australian Government Department of Health and Ageing; the Australian Government has not reviewed this material and does not represent or guarantee that its contents are correct. We also acknowledge the support of the Cooperative Research Centre for Asthma and Airways. □

**Incorrect author affiliation:** In the letter “Evolution of a house: Darwin’s link to Pambula” in the 3 August 2009 issue of the Journal (*Med J Aust* 2009; 191: 192), George D Repin was incorrectly described as Honorary Director of the Centre for Continuing Medical Education at the University of New South Wales, Sydney. The author is a retired Health Services Consultant. □
