The above article, published online on 16 April 2020 in Wiley Online Library (wileyonlinelibrary.com), has been retracted by agreement between the authors, the journal's Editor-in-Chief, Professor Nick Talley, the Australasian Medical Publishing Company, and John Wiley & Sons Australia, Ltd. The retraction has been agreed as the proposed graduate outcome statements and learning objectives described are presented in such a way that readers could interpret them as representing the policy of Medical Deans Australia and New Zealand, which they do not. ■
